

OPEN STUDIO

Eat, Drink & Bead Merry!

Join us for a fun get together! If you've taken a class, are a bead-a-holic, or need help with a project - come on in!! We'll be spending the evening designing, making jewelry, laughing, and having a great time!

Experience Is Necessary!

Open Studio is FREE and only requires that you reserve your seat, as seating is limited to the first 8 people per session.

- Bring a project that you've been working on.
- Don't have a project? That's OK!
We'll give you some ideas to get one started!
- Have you taken a class with us & want to practice the techniques you've learned? We're here to help!
- Want to share ideas & experiences with other beaders in the area?
- Bring finished projects to get feedback from other attendees.
- This is your Open Studio to work on anything you'd like.

Experience is necessary. Open Studios are not classes or workshops. Our staff will be on hand to give tips and help with basic techniques including: Color theory, balance, flexibility, and crimping, etc.

Open Studio is FREE for experienced beaders and tools are available for use. Bring your choice of drinks & snacks in closed containers.

We do require a \$10 deposit to reserve your seat as seating is limited. Your \$10 deposit will be credited toward your purchases at the Open Studio.

Each person will be responsible for purchasing their choice of beads & components. We have a variety of selections for every budget!

Open Studios are available every other Thursday evening. We occasionally offer Open Studios on other days as well. Please check our Calendar for dates and times.
